MESSAGE:

Crews have had breakfast in Redmond, have weighed in, and are awaiting the NICC jet. They will have the opportunity to grab two lunches since they will not arrive in Tampa until 9pm. Arrangements have been made for transportation from the airport to Withlacoochee where they will overnight. Busses will leave Withlacoochee at 9am Friday morning to take the Georgia and Alabama crews home. Transportation arrangements have been made with the home units for those from Florida.

This will be the last report on this module. The entire module has had some challenging assignments and performed very well. My compliments to the crew bosses and crew members.
